

# Afiscooter C3

The outstanding design of the Afiscooter-C is highlighted by these user comfort features:

A fully adjustable swiveling orthopedic seat that gives easy access and an enjoyable ride, as well as the DELTA tiller that provides easy steering and is fully adjustable to accommodate any driver.

A comfortable drive is guaranteed with the advanced full suspension system.

In addition, the Afiscooter-C features a large rear basket for convenient storage.

The three wheel model allows for perfect mobility on narrow sidewalks and easy maneuvering in shopping centres for both indoor and outdoor use.

Available Colours

## **Afikim Electric Vehicles**

Has been developing and manufacturing advanced, electrically-powered mobility scooters since 1978! Afiscooters' mobility scooters are designed with reliability and driver safety in mind first and foremost alongside beautiful, and thoughtful design. Afikim Electric Vehicles' worldwide distribution network offers year-round local technical support and meets European ISO 9001-2000, EN 12184 certification, as well as US safety standards with FDA approval.
