

Afiscooter S4

The Afiscooter-S is winner of the prestigious Red Dot Design Award.

It offers an impressive driving range, an ergonomic design for a noticeably more comfortable ride, a programmable electronic controller, LCD control screen and LED headlights.

Furthermore, the Afiscooter S has a fully adjustable tiller and an integrated canopy for protection from sun and light rain; as well as a fully adjustable orthopedic seat, full suspension and a shock absorbing steel frame.

The four wheel suspension and steering systems provide a pleasurable car-like driving experience for long distances.

Available Colours

Afikim Electric Vehicles

has been developing and manufacturing advanced, electrically-powered mobility scooters since 1978! Afiscooters' mobility scooters are designed with reliability and driver safety in mind first and foremost alongside beautiful, and thoughtful design. Afikim Electric Vehicles' worldwide distribution network offers year-round local technical support and meets European ISO 9001-2000, EN 12184 certification, as well as US safety standards with FDA approval.

Features

- ▶ Fully adjustable swivel orthopedic seat with a movable headrest and armrests
- ▶ Adjustable reach configuration using a single button for forward/reverse
- ▶ Bright, easy to read LCD display control panel indicates speed, battery status, lighting and signaling
- ▶ Powerful, long-lasting, energy efficient LED headlights provide more light and a greater driving range

The sun/rain canopy is winner of the 2011 Red Dot international design award

Improved, secure lockable rear storage
Front storage for items such as glasses and mobile phone
