

Schulte 7000 Series

THE STARTING LINE UP

The Top End Schulte 7000 Series Basketball Wheelchair is fast, light, strong and better than ever featuring 7000 series, precision head-tube design and an axle securing system that improves performance to help you perform at your best.

Yes, you can.®

TOP END®

Schulte 7000 Series

For athletes who want the best maneuverability, speed and positioning to achieve their best.

Standard Features

- Custom-built, fixed, heat-treated frame in 7005
- Adjustable height fixed swivel anti-tip
- Precision fork caster system
- Rear frame protector
- Axle securing system
- Standard weight capacity 113kg (250lb).
- HD weight capacity 159kg (350lb)

Features

Double swivel anti-tip or fifth wheel. Height adjustable.

Welded fixed tube sideguards to ensure a snug and secure feel.

Fixed swivel anti-tip height adjustable.

Head tube improvements reduce the overall weight, maximize stiffness, reduce play and increase overall performance.
