Drive the New Way

Modern, stylish, and built for adventure—the Sterling S800 by Scoozy takes mobility to the next level.

Large wheels, advanced suspension and a 70ah lithium battery provide an unparalleled smooth and stable ride on any terrain, with a range of up to 50 km.

The intuitive bike-style controls make the S800 by Scoozy easy to navigate; it's the ideal choice for those who want to stay active and independent—whether exploring city streets or venturing into nature.

Turn heads wherever you go. With sleek and modern aesthetics, the S800 by Scoozy isn't just a mode of transport – it's a statement.

This Isn't Just a Mode
of Transport...

It's a Statement.

Designed for Your Journey

The S800 by Scoozy is designed to enhance every ride with **comfort, power, and reliability**. Whether you're navigating different terrains, embarking on long adventures, or tackling steep climbs, its advanced features keep you moving with ease and confidence.

Grip That Keeps You in Control

Navigate nature trails, urban environments, and uneven roads with confidence. The robust 18" wheels are designed to provide **excellent grip and stability**, ensuring a smooth and secure ride on various surfaces.

Go Further on Fewer Charges

Enjoy the freedom to explore further with an unrivalled range of up to **50 km*** on a single charge. Perfect for long rides and extended adventures.

* Range depends on the ground surface, the weight of the rider, driving behaviour, temperature and terrain.

Superior Suspension for a Smooth Ride

From the moment you sit down, experience the most comfortable ride whether tackling city streets or rugged terrain. With both front and rear suspension, **every movement is cushioned** for a softer experience. The rear suspension is also adjustable, allowing you to fine-tune the setup for your perfect level of support and comfort.

Effortless Climbing and Acceleration

Smooth yet **responsive acceleration** delivered by a high-performance motor, that provides impressive torque and power, conquering high kerbs and steep climbs with ease.

Speed – Get There Faster

With a **top speed of 10 km/h**, you'll breeze through your journey while maintaining complete control and safety.

Designed for Your Comfort

The Sterling S800 by Scoozy ensures every journey is comfortable with its **ergonomic design**, its soft, cushioned seat, supportive backrest, and easy adjustments for your perfect position.

Spacious Design

The S800 by Scoozy has a large open footwell for you to comfortably place your feet, reducing strain on the body and offering a smoother, more enjoyable ride over bumps and obstacles.

Adjustable Seating for Personalized Comfort

Find your perfect position with easy seating adjustments. The Sterling S800 by Scoozy adapts to suit your ideal posture, enhancing your overall driving experience.

Easy to Use Controls

Navigate effortlessly with the familiar **bicycle-style handlebar, equipped with intuitive controls**: Thumb throttle, cruise control, and hand-operated brakes give you full control at all times.

Thanks to the ergonomic design, your hands, arms, and back stay strain-free, letting you enjoy the journey as much as the destination.

The large colour display, featuring NFC-tag locking technology, to keep your S800 safe, provides a modern user experience.

A Scooter Like No Other

Step into tomorrow with the **S800 by Scoozy**, a masterpiece of modern design and cutting-edge engineering. Crafted for those who dare to redefine their journey, this scooter boasts a **sleek, futuristic silhouette, clean lines, and premium finishes**. Its streamlined body and subtle curves turn heads at every corner, offering a ride that's as stylish as it is advanced.

Everything You Need at a Glance

Full-colour **LCD display**, **NFC locking** function and **USB Charge Port**.

Navigate Effortlessly

Navigate effortlessly with the familiar **bike-style handlebar**, featuring a thumb throttle, hand-operated brakes, and cruise control.

Personalize Your Way

Easily mount a range of **high quality accessories** on the accessory bar.

Be Seen, Be Safe
