

Comet Alpine+

CHALLENGE THE OUTDOORS WITH POWER, CONTROL AND STABILITY

For those who enjoy adventures across terrains too challenging for a traditional scooter, the Comet® Alpine+ offers the perfect solution. Its robust and powerful driving characteristics gives you the freedom to discover the great outdoors with minimal effort in continuous comfort and safety.

Yes, you can.®

**Making Life's
Experiences Possible**

Comet Alpine+

As part of the Comet family, the Comet Alpine+ comes packed with all of its well-known safety features and customisation capabilities, offering a reliable, powerful and stylish scooter.

- Powerful and robust
- Excellent outdoor capabilities
- Safety at its core

The Comet Alpine+ offers excellent maneuverability and power without compromising safety and style. Thanks to its powerful motors and superior suspension system, the Comet Alpine+ lets you challenge the great outdoors with minimal effort and complete control.

Vital components are protected from water and dirt thanks to the in-built anti splash guards. Directional stability keeps you moving in a straight line and automatic speed reduction to slow you down when driving round corners.

Features

LCD dashboard for clear, easy to read information.

Seat suspension module offers additional comfort by adding an optional seat suspension.

Seat riser electronically increase the seat height to achieve a preferred driving height.

An optional off board charger allows you to conveniently charge the batteries away from the scooter.
